

TOTC Round Robin Cards Drawn 2023

RULES:

You do not have to use all the cards in the entire creation. However, you must use at least one technique on each round that you have never done before or at least need to brush up on. The many options for the rings, chains and picots are just a few of what is out there for you to try your hand at. Most of these techniques we have videos available to you on either the Class YouTube at <https://www.youtube.com/c/TheOnlineTattingClass> or at Georgia's Video channel which most of those videos have been transferred to the class site.
