2 Shuttles
Thread #8 Perle Cotton

Abbreviations:

-	Picot	RW	Reverse Work
+	Join to	SCMR	Self Closing Mock Ring
Ch	Chain	SLT	Shoelace Trick (Tie)
JK	Josephine Knot	SR	Split Ring

Instructions:

SCMR 8 [JK=10] 8 - 4 - 4 - 8 [JK=10] 8. Close. RW.

SR 10 / 5 (JK=10) 5.

SR 3 / 3.

SR 10 / 5 (JK=10) 5. RW.

* CH 6 (JK=15) 6 (JK=10) 6 (JK=6) 6 (JK=10) + (make a lock join to the core thread under the JK of 10 on the opposite side) 6 (JK=15) + (make a join lock to the core thread under the JK of 15 on the opposite side) 6. Join to the base of the chain. RW.

SR 10 / 5 (JK=10) 5.

SR 3 / 3.

SR 10 / 5 (JK=10) 5.

SCMR 8 [JK=10] 8 + 4 - 4 - 8 [JK=10] 8. Close. SLT. RW.

(Note this SLT is not really necessary. I use it because when I turn to make the chain, the SCMR keeps opening and make my chain sloppy. It's up to you if you want to make the SLT or just reverse your work)

Continue from * until you have 6 central rings. Join the last Split Ring to the base of the 1st SCMR.

Finish with the chain.
